Please read the following, then agree by signing and returning to DCASRescue@gmail.com

- DCAS reserves that right to refuse placement of animals to a Rescue Partner for any reason we see fit.
- Rescue Partners understands that DCAS makes no guarantees on behavior, temperament, or health.
- Animals pulled by Rescue Partners must be spayed/neutered prior to adoption.
- DCAS reserves the right to defer responsibility of Vaccines to Rescue Partner for any reason we see fit.
- Rescue Partner will be responsible for any costs associated with care of the animal (physical and property).
- All Rescue Partners agree to provide adequate food, clean water, shelter and proper medical care.
- Any issues from Rescue Partner should be addressed to Rescue Coordinator or the Shelter Director.
- Animals must be picked up within 48 hours of Rescue Commitment. Due to space, it's first come, first serve.
- If it is a mom with litter, you must take the whole litter, including mom.
- DCAS can do unannounced inspections of facility/home if needed. Any rescue housing 9+ animals (Dogs/Cats) must be licensed by the NC Department of Agriculture.
